## About us

To develop an educational hub and a potential future generation there on is the major objective behind establishing this institute. Driving with institute tag 'To mould an ideal student with the zeal of social commitment and entrepreneurship'. We have been striving here to develop a self sufficient, self supporting and resilient student.

### Vision

To mould an ideal student with the zeal of social commitment and entrepreneurship

### Mission

To offer courses to the students for enhancing entrepreneurship, humanism and social responsibility through quality education.

**Institute level special scholarship for students : UDAN**

## From Founder's Desk

There is no end to education. It is not that you read a book, pass an examination and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning. Education is the most powerful weapon which you can be used to change the world.

- Hon. Subhashji Deshmukh

## From Chairman's Desk

Hearty greeting from Lokmangal. Education has been integral element of our vision. 'To grow and empower growth, across the diverse sector, geographies and people that comprise our great country.' We are committed to following integral education system to harness the virtue of the students of Lokmangal Institute. I personally feel that our system has been embedded with quality, hard work and dedication for bringing the future of India to the mainstream. I am sure your experience with Lokmangal shall be rewarding.

- Hon. Rohanji Deshmukh
