Report on celebrating “World Environment Day”

The World Environment Day on 5th June 2024 was celebrated in a meaningful way by the Department of National Service Scheme (NSS). It is imperative that we safeguard the health of our planet at this critical juncture and understand the importance of keeping our planet clean.

Hence, to encourage awareness and action to protect our environment, an innovative concept was adopted by the department to bring in awareness among all the students from all the streams by administering oaths in their respective classes. World Environment Day is an occasion that is dedicated to protecting and preserving our environment. We celebrate it annually on 5th June, as a global reminder of our responsibility to preserve, protect and restore ecosystems. Today is World Environment Day and we are here to explore its theme in 2024 history and significance while emphasizing on the importance of working together for a sustainable future.

Significance of World Environment Day

World Environment Day is very important from the perspective of addressing increasing environmental challenges. It is very crucial to conserve the environment and observe this Event with the issues like climate change, deforestation, biodiversity loss and pollution which is becoming a major issue. If we can accomplish this goal to raise awareness regarding environmental issues, we will be able to transfer our environmental legacy to future generations. By taking action and raising awareness World Environment Day motivates people and the community to make a positive difference in this direction.

The theme for World Environment Day 2024 was **Our land, Our future #GenerationRestoration.** It is a day that reminds everyone on the planet to get involved in environment friendly activities. The World Environment 2024 was celebrated by tree planting in the college campus NSS participation. The event was conducted successfully with whole hearted participation by NSS Programme officer Mr. Ganesh Gophane with Principal Dr. Vijaysinh Sable and Mr. Bhimashankar Bhui by planted tree in the college campus. The event was also observed at home by the staffs and students of the college.
