# Lokmangal College of Agricultural Business Management Organizes Educational Study Tour to Karnataka

The educational study tour of third-year students of Lokmangal College of Agricultural Business Management, Solapur, to Dharwad, Karnataka, was recently completed with great enthusiasm. As part of this educational tour, students visited some of the country's leading agricultural research institutions and gained valuable insights into modern agricultural technologies, ongoing research projects, and innovative practices in the agricultural sector.

During the tour, students visited several renowned institutions, including the **University of Agricultural Sciences (UAS), Dharwad; ICAR-Indian Institute of Pulses Research (IIPR), Regional Research Centre, Dharwad; Agricultural Business Management University, Dharwad; and ICAR-Indian Grassland and Fodder Research Institute (IGFRI), Southern Regional Research Station, Dharwad.**

At these institutions, students interacted with scientists and experts and gained first-hand knowledge about various ongoing research projects, dryland farming technologies, modern agricultural practices, and innovative approaches in agricultural extension and management.

Along with academic activities, the students also explored several famous tourist and historical destinations in Karnataka, experiencing the state's rich cultural heritage and natural beauty. The students visited **Hampi**, where they closely observed ancient sculptures, magnificent temples, and historical monuments. They also visited the **Tungabhadra Dam and Garden at Hospet**. Furthermore, the tour included visits to **Murudeshwar, Gokarna, Mahabaleshwar Temple, and Honnavar**, where students enjoyed river rafting and explored various scenic attractions.The educational tour provided students with a wonderful opportunity to combine academic learning with practical exposure, historical exploration, and cultural experiences. The successful planning and execution of this educational tour were carried out under the valuable guidance and support of the college Principal, Dr. Sachin Phuge.
