

Seventh Semester Examination Presentations Successfully Conducted at Lokmangal College of Agricultural Business Management

The RAWE (Rural Agricultural Work Experience) and SPW (Student Project Work) examination presentations of fourth-year students were successfully conducted at Lokmangal College of Agricultural Business Management, run by Shriram Gramin Sanshodhan Va Vikas Pratishthan. For the examination presentations, **Dr. S. S. Kaware**, Assistant Professor, Department of Agricultural Economics, Mahatma Phule Krishi Vidyapeeth, Rahuri, served as the nominee of the university's supervisory committee.

During the programme, Dr. Kaware guided the students on the challenges faced by farmers during drought conditions and explained the importance of proper financial planning and economic management in agriculture. He also emphasized the need to understand farmers' financial situations and develop appropriate strategies for agricultural sustainability. Dr. Kaware was warmly welcomed by **Dr. Sachin Phuge**, Principal of Lokmangal College of Agricultural Business Management.

As part of their presentations, students presented detailed analyses of the profit and loss involved in crop production from the farmers' perspective. Under the SPW component, they also presented profit and loss analyses of various agriculture-related projects. The programme was attended by **Dr. Sachin Phuge**, Principal; **Prof. Swapnil Kadam**, Project Coordinator; **Prof. Smita Dhaygude**, Module In-charge; **Prof. Rohini Somvanshi**; **Prof. Amol Dake**, Subject Matter Specialist in Agricultural Economics; and the students of the college.

The examination presentations provided students with valuable practical exposure to agricultural economics, farm financial management, and project evaluation.
